During the Run, Kapela Solna will be playing for the competitors.

5. Time measurement and qualification

Electronic time measurement will be carried out using electronic chips contained within each starting number bib and protected with some foam. The starting number bib with the chip is ready for use and should be correctly fixed with four safety pins to the front. No whatsoever modifications are allowed. The lack of the starting number bib during the competition will result in disqualification. The starting number bib with the chip is the participant's property and is not subject to return. All classifications will be conducted according to individual net times, starting with the moment of crossing the starting line until crossing the finish line, except for the first 50 competitors crossing the finish line who will be classified according to the gross time counted from the starter's shot. To preserve the best possible conditions of sports rivalry, the participants show up at the starting line from the fastest to the slowest, following the start areas designations.
